In the Book of Samuel it is written "There came of all people to hear the wisdom of Solomon". It is no longer necessary to go to the Court of the King to hear words of wisdom. With ears and eyes open and mouth shut you can learn plenty even at a racecourse. Following the first race at Rosehill I lunched with Reg Downing (former Attorney-General) Alf Wooll (owner of the good pacer "Master Findlay") and Brian (Ballpoint) O'Connor. Reg had just backed the first winner. Alf nonchalantly asked "Did you have a good win" replied the sagacious Reg "What I win won't make me, what I lose won't break me". With that philosophy it is no wonder that Reg has stood the test of time as a punter.

"To refuse praise is to seek praise twice" I accept the unsolicited article in the Sydney Morning Herald under the title "Eating Out" by Trevor Lane. In his article Mr. Lane mentions Leon Myerson and his charming wife Leith (former President of the Black and White Committee) and the attractive June Gollan (dubbed Signora Gucci by her friends since she began selling that Italian line in the M.L.C. Centre). The author wrote inter alia "Over Dinner at Tattersall's Club with Leith and Leon Myerson and June Gollan we unleashed a small stream of Dining-out likes and dislikes." The author then discusses various restaurants in and around Sydney. I quote verbatim the comment on our Dining Room.

"Our meal in Tattersall's lofty dining room fulfilled most of our wishes, soft lighting, hot plates, iced water, excellent food diligently served, a varied wine list and the discreet attention of the Maitre d' Adrian."

An esteemed country member recently elected president of his Bowling Club asked me if I had any helpful hints. I replied "Yes, make all shoes fit you". He asked for details — In any situation involving someone else — every leadership situation does — I try to put myself in the other fellow's shoes. I try to see things as he sees them. Then I always realize there is another viewpoint besides my own.

The aphorism that "A camel is a horse put together by a Committee" does not apply to our Club Committee. Due to steps taken this year we are in a position to survive a normal liquor strike as was proved last month. As I pen this epistle there is a partial oil strike. Our Club depends on oil for the kitchens and the heating of the swimming pool. Until this year an oil strike would put us out of business. Our new oil storage system will survive any normal strike. This type of work whilst not observed by the members is material to their comfort and enjoyment of the Club.

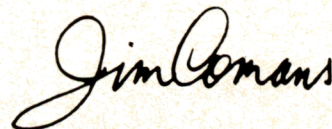

Those members who wish to book the Club Room, The Function Room or Sportsman's Room during the months of November and December should do so immediately. Remember there is no time like the pleasant. At the beginning of 1977 adopting our progressive policy we decided to re-open on Anzac Day, the response was reasonable, this year excellent and for Anzac Day 1978 all Function Rooms are already booked out.

The decor of the bedrooms has been completely altered. The new furnishings combine simplicity with attractiveness and utility. The majority of the rooms have private bathrooms en suite. Every bedroom has hot and cold water and is equipped with a telephone, coloured television etc. We offer more than a first class hotel. Out of bed, down to the third floor for a sauna and a swim, then enjoy the best breakfast served in Sydney. Members may introduce visitors who can enjoy these facilities. Always remember,

"Do you think only in terms of yourself, how much you can make, and what you can get out of life!" Then you are the problem.

Or are you concerned with the contribution you can make, how much you can give, and how much you can put in! People like you are the answer.

With every good wish,

J.V. Comans, Chairman

Looking Around

Yes, We have no Hangovers!

Some years ago I illustrated a book on wines for member mate Douglas Lamb (one of the real wine authorities in town) — Doug first whet my taste for reds.

"It is being mooted in wine circles that there are more histamines in a banana than there are in a bottle of wine, and so far, I have not met anyone who has had a headache from eating bananas. So, on this prognostication you should not get headaches from drinking red wine", says Doug.

Tulip Tittering Time!

A dear old lady was making some Jam and by accident a Hampster fell into the Jam. So she labelled it "Hamsterjam". — It was terrible so she threw it out onto the garden. It fertilised the plot and magnificent Tulips bloomed. Her husband said it was quite obvious that — "The best tulips come from Hampsterjam".

New York Dog-Owners

New York dog-owners have to clean up after their pets on the pavements — or else.

If the doggies continue to befoul the streets as they have been doing for centuries and owners don't take matters into their hand they face \$100 fines.

It's estimated that this city has one million dogs who deposit 20,000 tons of waste on city streets which one health official calls an "important health hazard" — and understatement as any tourist to this city can vouch for.

Nearer home — have you walked round our supermarket areas lately? There's room for a clean up of the fouled paved and concrete areas.

A Winner in England

Cycloskorin is not the name of a young colt but it could prove a champion in the Kidney Transplant Stakes. Harrow Clinical Research Centre near London used this drug with proven results. They claim it will revolutionise and overcome the rejection problem.

WINING, DINING and CLUB NOTES

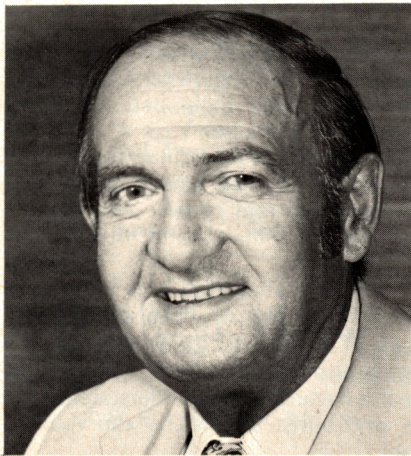

It was all fun at an informal gathering of "The Former Five". Tattersall's Club member Barry Carlton headed a long standing group including Member Abe Lander former State Minister plus Len May, Fred Toner and Chairman of the Fishing Marketing Authority, Mark Joseph. They were all at the Club recently to conform with their own rules to "meet at irregular" intervals. Fun was the order of the day.

* * *

Club Member Alan Black, one of the greatest stalwarts of the Lakes Golf Club, through the years was beaming when he spoke of the Lakes Golf Club audited surplus of \$55,066 for the past June year raising the total surplus for the past three years to \$237,066.

The club said its cash liquidity was now sound and had moved from an overdraft position in the previous four years to a position where it now had funds invested in short-term securities.

* * *

Busy Member John O'Toole, President of the NSW Leagues Club must believe things come in threes — a delightful lunch with the Governor Sir Roden-Cutler and Lady Cutler — re appointed the same day to the Trust of Sydney Cricket & Sport Ground Trust — and to complete the Trifecta appointed director of the North Shore Hospital Board.

Congratulation John we're proud of you and also on your record of 22 consecutive years of service on the League Board.

* * *

Member Max Sernack is proud of their fourth Generation!

"To Tony and Sarah Sernack — a boy Daniel!"

* * *

Tattersall's Club Member Terry Smith, one of our most active northern members, recently returned from Argentina with his son Geoff. World Cup Soccer was the real purpose of the visit — must get Terry to tell us more of the interesting visit.

* * *

Member Spencer Grace helped celebrate the North Shore Rowing Club 100 Years — with some magnificent dinners. Records tells us it was the first Sporting Club on the North Shore.

* * *

Mr. Stephen and Sharon Upton pictured have put some happy smiles on the faces of Ken and Val Upton. The wedding was celebrated at Tattersall's Club with full honours. It was a great family and friends affair.

It was one of the most successful functions staged in our gracious Club Room.

Congratulations to member Tony Moltzen in currently doing a good job as Manager of Top Rating Station 2SM — a demanding job in good hands — all the best Tony.

Australasia's, and quite probably the Southern Hemisphere's first ever sale of "Ready To Run" thoroughbreds is being held at Hamilton, New Zealand on October 9th.

Following the success of such sales elsewhere in the world, particularly in America, the Auctioneers, Dalgety Bloodstock, feeling that this form of marketing will have great members appeal.

Advertising executive Member Paul Kelly (left), Columnist Jim MacDougall and George Hartigan at the Luncheon tendered to George to eve of his retirement from the Advertising and Newspaper industry. The most representative group ever assembled in Australia joined forces in the Club Room. It was an outstanding success in all departments — Congrats on those 33 years George.

Dr. Hyam Owen's son Dr. Earl Owen has been honoured as World Microsurgeon of the Year in San Francisco. Ten years ago he led the first surgical team to replace a child's completely severed index finger. 300 severed finger, hand and arm replacements later he rates No. 1 in the world. Tattersall's Member Hyam has plenty of reasons to be proud of Earl.

Tattersall's members holidaying at Waikiki were entertained by committeeman Toni McSweeney assisted by his lovely wife, Molly. Among whom were Tom and Valerie Smith, Jack & Lynn Ingham, Bob and Norma Ingham, Reg and Betty Lynam, Rag and Hettie Williams, a former leading member of the Melbourne ring, Buchanan together with Bill Busk and the famous irrepressible monocled Frank (Bamboo) Appermann and helping to swell the crowd were Sam & Neil Block.

Honoured at Dinner — Retired after 40 years.

A dinner was held in the Sportsman's Room on 4th July by Studio 10 Pty. Ltd. in honour of Club Member John Nisbett on his retirement after 40 years with the company. Amongst those wishing him well were June Dally-Watkins and some of Sydney's top models who added to the attraction of the Sportsman's Room on such a happy occasion.

The Ladies Turn

It is not often that the Club Room fills with only female sounds and feminine trimmings, however, on the 5th July the Inner Wheel Club of Sydney represented by 110 of their female members held a very bright luncheon.

Very Legal

The Australian Law Society, with the assistance of Club Member, The Hon. Mr. Justice Slattery, hosted a luncheon in the Club Room in honour of visiting U.S. Attorney-General Mr. Griffin B. Bell. Amongst the distinguished guests were the U.S. Ambassador to Australia, Mr. John Davis, the Hon. Mr. Philip J. Alston, Jr., the Hon. Sir Laurence Street, KCMG, K.St.J., and a large noted group from Sydney's Legal circles.

Governor Opens Legacy Conference

His Excellency Sir Roden Cutler, Governor of N.S.W., officially opened the Australia wide Legacy Conference which was held in the Club Room on July 14th.

Birthday Celebration

Club Member Ted Lee celebrated the memorable occasion of his 90th Birthday on 24th July, 1978, with a dinner in the Club attended by Tony Meagher, Nancy Meagher, Arthur Lee and Connie Lee. Heartly congratulations Ted.

Shoes Made for Walking : We Hope

Club Member Bernard Mullane, who is Shire President of Baulkam Hills County, distinguished himself by completing in 73 minutes the recent City to Bondi Surf Walk. We will be looking for you again next year, Bern.

BIRTHDAY NOTES

A few well known club personalities birthdays are listed in the coming weeks.

The Election will be over when member, Premier of N.S.W., Hon. Neville K. Wran celebrates his birthday on the 11th October.

Mel. G. Lawton a great personality from the show business and racing scene raises a glass on the fourth of October. Happy days Mel, especially from the McKells, Plastos and Ted Thorne.

Big bouncing and busy Bill Sellen will swim an extra length in the pool on the 3rd Floor to celebrate on the 20th October.

Dentist Member Don Hutchison won't be "down in the mouth" on the 9th October. He's planned a day of celebration to include his wife Trish and family.

Jim Baker has been promised a drink by committeeman friend David Dransfield on the 16th October.

Bol Stribley will be smiling more broadly than usual on the 19th October.

THE DON FLOWS QUIETLY TO 70

Liked Tattersall's Club Member, Journalist Phil Tresidder's Telegraph story on Sir Donald Bradman reaching three score and ten.

In my "gathering-bottles-on-the-beach days", I lived out Clovelly way.

When the Don was batting travelling on trams was always heavy. I vividly remember people jumping off the tram at Anzac Parade (whilst it was in motion), because it meant a couple of minutes more of magic after that dash across the park to see the Boy from Bowral.

...Ed.

Bride Judith with her mother Mrs. Amy Swaine prior to the wedding.

SWAINE WEDDING

Club Member Stan Swaine was proud father of the bride at his daughter Judith's wedding reception in the Club Room on 19th August. Judith married Mr. Andrew Sneddon and we wish them both a happy future.

Billiards & Snooker

by Syd Lane

The tournaments continue to attract members to the second floor, and now that the field is closing in for the race to the post there is a noticeable air of excitement which should increase over the next few weeks.

Some of the favoured players continue to fall by the wayside notably:—

John Lavigne def. by Col Pearce; Bruce Cox def. by Peter Twigg; John McSweeney def. by Lennie Burke; Tom Langworth def. by Tony Murphy; Bob Bradshaw def. by Phil Darby; Bill Henneberry def. by Neil Rogers; Graham Molloy def. by Harold Cruickshanks; Syd Lane def. by Lee Bluett; Stuart Adams def. by Phil Byrnes; Eugene Piekarski def. by Phil Darby; Ken Upton def. by Jim Baker; Richard Horne def. by Buz Burns; John Peoples def. by Digger Lobb; Norm Rogers def. by Dick Thorne; Tom Farrar def. by Bill Andreas; Jeff Woollard def. by Vic Darby; Bob Lavigne def. by Bill Richards; Warren Simpson def. by Chris Dobbys.

Many of the matches have been battled through to the final "Black"; and some have been notable for the sudden reversals due to a lucky run of the balls (or unlucky run, depending on which side you had backed). One such notable game was the match between Stuart Adams and Phil Byrnes — Stuart was 5 in front with one red on the table. He potted the red and looked a certainty to be "on" an easy colour, but unfortunately the white disappeared into a pocket. Phil, playing from "hand" made a very workmanlike job of potting yellow through to pink thus eliminating Stuart from the tournament.

Tom Farrar who was very well handicapped and an early favourite, met Bill Andreas in devastating form and he too has become a spectator, although he is still alive in the Billiards.

Bob Lavigne who had to concede a big start to Bill Richards, made up the leeway and went to the front with one on two reds still on the table and Bill blew to the very long odds of 5/1 against. These odds were taken in two places! Yes, you've guessed right! Bill stuck to his guns and won on the pink.

Then to cap all the surprises, Chris Dobbys knocked out the hot favourite, Warren Simpson. This game also finished on the black ball and was interesting from go to whoa.

Pool Splashes

by Sam Block

The swimming season ended on Thursday, June 27th and from which emerged a new club champion.

CLUB CHAMPIONSHIP

1. Neil Rogers 2. Denis Wilson 3. Doug Ferris 4. Hugh Keller. Time 17.4 seconds. After a false start the field got away evenly with Neil just turning in front of Denis and maintaining his advantage touched ahead of Denis with former champion Doug Ferris gaining third place from Hugh Keller.

SILVER SHARPE TROPHY

1. Ted Joye 2. Doug Ferris 3. David Dobbin 4. Robert Tobias. The win of Ted Joye created history as his son Ian had won this event in 1976, creating a record which will stand for many years. It was a fantastic achievement for a man of his age. In doing so he reduced his weight by four stone and girth by four inches at least. It just shows what will-power and guts can do. Congratulations to a fine sportsman and gentleman. Club champion Doug Ferris was runner up a remarkable performance as Doug has been back marker for the whole season whilst David Dobbins who ousted Robert Tobias for third place would have been much closer had he not been abroad for portion of the season, and I am quite sure that Robert Tobias will not move his residence on a Tuesday next year which should bring him closer to victory.

LES TIDMARSH MEMORIAL A GRADE CHAMPIONSHIP

1. Tony Salier 2. Norman Rogers 3. Ian Joye 4. Terry Forrest. The contestants swam stroke for stroke all the way with Tony forging to the front, whilst Norm Rogers swam the race of his life for second spot with Ian & Terry a clipped fingernail astern. The watches showed all times of the place getters as 22.2 seconds.

TOM POWEL TROPHY

1. John Nicholas 2. David Dobbin 3. Robert Tobias, John Barker, Doug Ferris & George McRobert, dead-heating for 3rd place. John deserved his win as during the last few years the major prizes have just missed his grasp and for a top class swimmer he has not met with the best of luck. David Dobbin scraped in a half point ahead of Tobias, Barker, Ferris and George McRobert the last four sharing third prize. Only one and half points separated the first six competitors.

JACK MANDEL FAMILY EVENT

1. Col & Leigh Bowes 2. David & Mike Dobbin 3. George & Martin McRobert. This event was the first of Leigh Bowes double partnered by (last again) Col from David and Mike Dobbin who made a valiant attempt to overhaul the leaders with George and Martin McRobert in third place. The popularity of this event is really well worth while.

TED JOYE HONOUR HANDICAP

1. Leigh Bowes 2. Charles Griffiths 3. Alec McLelland 4. Bruce Upcroft. This race completed the double for Leigh Bowes after a dour struggle with Charlie Griffiths with Alec and Bruce in third and fourth place respectively.

JUNE POINT SCORE

Evergreen Charlie Griffiths lands June Monthly from David Dobbins and Mike McCormack scoring six firsts and a third to gane the honour (not bad for all old timers eh what).

The outstanding performances of the season were in order of merit in the writers opinion Ted Joye, Doug Ferris, David Dobbins, John Nicholas, Robert Tobias and Michael McCormack.

The judges for the events were Chairman, Jim Comans, Justice Bryce Ross-Jones & Bryan Mortenson. Time Keepers Arthur McCamley, Alec McLelland, Leigh Bowes and yours Truly.

Monthly winners were October Stuart McAllum, November Ted Joye, December Ken Finn, January Peter Derwent, February Adrian Abbott, March Charles Coppa, April Tony Patterson, May David Dobbins, June Charles Griffiths.

A welcome was extended to new members, Arthur Carney who soon made his presence felt by winning two events in smart time, we'll be looking forward to your efforts in the new season.

Tom Powell and Harold Hill.

Am penning these few notes whilst enjoying the glorious view of the myriad colours of the waters on Waikiki Beach prior to going out for dinner with Tony and Molly McSweeney who are holidaying here.

HANDBALL NOTES

1978 STATE DOUBLES CHAMPIONSHIP

This years State open Doubles Championship will be decided at Bondi Baths on Sunday, 12th November from a field comprising the top eight doubles pairs in the State.

Entries this year will be accepted from any financial members of affiliated clubs with the N.S.W. One wall Handball Association. Each team must lodge a payment of \$4.00 with the nomination and an elimination series will be played to reduce the total nominations to eight pairs.

The four clubs eligible to nominate teams are Tattersall's, Bondi Icebergs, Clovelly and Coogee.

Last years winners of the Championship, Ron and Neil Rogers, are again teaming in this years event and must be favourites to take out their second title.

Last years runners-up, the Bondi Iceberg team of Don Hudson and Frank Caldwell are again in top form and another formidable duo is the Clovelly team of Gary Stubbs and Ray Hopkins, who were successful in 1976. Gary Stubbs has the best record of any player in the Doubles Championship with three wins, a truly remarkable achievement.

TATTERSALL'S PLATE

Handball Clubs are already mustering their strength in singles players for nominations in the 1978 Tattersall's Plate.

This prestigious event, promoted by Tattersall's Club Handball President, Norman Rogers, has long been considered the singles Championship of N.S.W. Ron Rogers, prolific winner of this event will again be in the field and with the likely absence of last years winner Michael O'Dea could start a short priced favourite.

Although a doubtful starter at the moment, continued improvement in the Tattersall's Champions neck and shoulder could see him an entrant and Michael's presence would add interest to this event.

Tattersall's representatives will be chosen from Ron Rogers, Neil Rogers, Ken Glass, Ray Hopkins, John McGuire, Norman Rogers and Bill Blakemore.

CLUB CHAMPIONSHIPS

The only division of Tattersall's Club Championships to produce a title holder is the D Grade and it is to the credit of this keen hand of handballers to have set this example to the higher grade who have dallied for so long with such little results.

David Dobbins game has improved rapidly as a direct result of continuously challenging higher grade players in the Variable Handicap series.

Bill Debney, however, gave him a prodigious fright in the first round by taking him to 15 points in each set.

Bill, with the benefit of only a little practise, showed considerable ability and with a more dedicated approach to the game could be expected to improve.

The final with Michael Frawley was an even contest and with the first set see-sawing either way, David was fortunate to have added experience gained through challenges in the handicap events.

David went on to capture the title with a convincing win in the second set and I feel sure that this win will serve only to wet his appetite for more victories in tournament handball.

C GRADE

The C Grade Championship is a wide open affair with Gordon and Doug Salier opponents in one semi-final with Stan Droder and Neville Amy matched in the other semi.

While Neville's game is improving immensely, he has the job ahead in his match with last years D Grade Championship winner, Stan Droder.

The semi-final between Gordon and Doug must produce high standard handball with the final promising considerable interest.

Gordon Salier defeated John Kalina in the first round, Les Hanns won at the expense of Max Sernack, Doug Salier accounted for Phil Moses, Paul

Vrachnas had a hard job in overcoming the stiff defense of Ian Mann, Neville Amy was pushed to a close three setter before accounting for David Castle, while Arthur O'Connor beat Tony Salier, Allan Connolly beat Clive Milliken and Stan Droder accounted for new member, Bill Moore.

B GRADE

Charles Griffith is momentarily perched way out in front of the B Grade draw as a finalist having defeated John Barnes in a close contest 21-19, 21-19. In the final set, John led everywhere but at the post with Charlie able to wear down the blockbusting John. Charlie had already accounted for Sid Kay, 21-19, 21-9 and Don Stait as he progressed to the final. John defeated Rod Fisher 21-18, 21-14 in the first round and Stan Heaton in a drubbing match 22-20, 22-20.

Martin McCurrich beat Wally Grey 22-20, 21-16 and Tony Baine beat last years C Grade champion Richard Horne 21-10, 21-18. The Martin McCurrich — Tony Baine encounter was a hit and miss affair for the first two sets but the play settled down to a steady accurate game. The final serve favoured Martin 21-12, 10-21, 25-23.

A GRADE

John McGuire won an entertaining

first rounder against David Murray 21-13, 21-16.

Ray Hopkins hit many of his famed angle shots only to see them tantalisingly returned by Bill Hannan, but Ray went on to win 21-18, 21-14.

Neil Rogers, following a first round victory against W. Hannan 21-19, 21-12 defeated Ray Hopkins 21-16, 21-19 in the second round. While Ray always trailed in the first set, the second set saw the lead see-saw until Neil gained the winning break from 15 all. Ray almost levelled but Neil went away in the closing stages to clinch the set and the match.

Ron Rogers, through injury was forced to forfeit to Bob Callaghan.

Charles Robinson won his first round match 21-16, 21-14 and in the second round played soundly to beat Norman Rogers 21-18, 21-19. It was a hard fought game throughout with Charlie able to weather the storm of Norman's tornado attack.

Bill Blakemore, in his first year in the top grade had a great win over Bob Lipman 21-12, 21-17. Ken Glass battered Malcolm Fuller into submission with a 21-5, 21-9 victory and he then went on to a three set win over Bill Blakemore. It was any one's game at one set all and 10 all in the final set but a successful do or die effort by Ken gave him an easy third set win.

If you only do it once a year, do it right.

SKI IN EUROPE and please yourself

Be different!

Just as there are many skiers travelling to and from holiday resorts every day in ordinary package tours . . . we know there are many of you who want to be a little different from the rest.

You'd like some variety. Some extra interests there and on the way. As long as it doesn't cost any more. Which is where Astronaut Travel Service and Swissair can help.

Do it your Way

You can please yourself. You dictate all the terms . . . the length of your holiday, the number of friends . . . the accommodation . . . the cost, in fact, the lot!

We will arrange a holiday to suit your individual requirements — and it won't cost any more!

Really, skiing in Europe costs no more than in the popular Australian resorts.

It's the most exciting, greatest value-for-money, winter holiday ever! During the day, all the sophisticated facilities of the internationally famous ski resorts. At night, swinging discos, nightclubs, parties — and so much fun that many people holiday there just for what goes on "apres"!

So get your sights on the world famous ski slopes, fabulous places like:—

- * ST. MORITZ
- * AROSA
- * GRINDENWALD
- * WENGEN

and many more

You'll fly in the renowned luxury of
SWISSAIR DC-10s with
an exciting stopover
in Hong Kong.

So come on, please yourself and be a little different. Have a ski-ing holiday that's planned by you and arranged for you.

Know Your Bookmaker

L.G. BURKE

Len Burke bookmaking began in Moss Vale Bowral area and at Harold Park dogs too. He was a tender age of 18. Popular Len and Joan have a great family. They've raised four girls and three boys. He schooled at Shore College. \$80,000 to \$20,000 Storm Cloud (beaten) was one of his big wagers. Len would like to see lower admission fees — more government assistance to Racing. Lady Jockeys should be included too. He's a top bowler winning various championships — a real sport in the true Tattersall's Club spirit.
